

10 Wedding Venues that Embrace the Hues of Fall

10/17/2019

Sara Ventiera (TLC me)... The Catskills have recently become a hot summer getaway for trendy New Yorkers, but the area, which has some of the best fall colors on the planet, has always attracted leaf peepers from around the globe. One of its newest mountain-inspired wedding venues is The Kartrite Resort & Indoor Waterpark. The expansive property, which has tons of activities to keep guests occupied while you're busy getting ready, offers couples numerous indoor and outdoor venues that highlight the expansive sea of autumn foliage. Like an adult-friendly summer camp, the resort keeps its outdoor fire pits roaring and fully stocked with s'mores for the wedding afterparty.
